

CARC Net Script

4/27/17

INTRO:

Welcome to the Columbia Amateur Radio Club (Sunday / Wednesday) night net. Your Control Station is _____ (phonetically) my name is _____.

The Columbia Amateur Radio Club conducts these nets on Sunday and Wednesday nights at 8:30 PM. All licensed amateurs are welcome to participate. You do not have to be a club member. This net is conducted on our local repeater: 147.330 located near Columbia, SC using a PL tone of 156.7.

EMERGENCY OR PRIORITY TRAFFIC:

If you have an Emergency or Priority Traffic at any time, call “Emergency, Emergency, Emergency”, with your call sign phonetically, repeat as needed. This frequency will be turn over to you.

ROUTINE TRAFFIC:

This is a discussion and information net. If you have routine traffic, please wait until the end of the net to pass that traffic.

ANNOUNCEMENTS:

Do we have any announcements for the net such as General Information, Events, Ham Fests, VE Testing, etc? If so, please call Net Control with your call sign phonetically. (write on 2nd page)

Before we start check-ins, I would like to present our discussion topic:

If you are not “short-time”, after all check-ins, you will be called on to share your thoughts about the Topic or anything you like.

SHORT-TIME CHECK-INS:

This is _____, Net Control. If this is your first time checking in our net, please let me know. To check-in “**Short-Time**” please call, “Net Control”, let the repeater squelch drop and listen to ensure no doubling, then call Net Control, giving your call sign phonetically & slowly, your name and location. Only Short-time stations call Net Control now.

Net Control would like to recognize & acknowledge the following...

(Amateur Radio Operators / Stations / Fine Amateurs / Great Stations)

Repeat as needed: _____ Net Control is continuing check-ins from Short-Time stations, call Net Control now.

REGULAR CHECK-INS:

This is _____. We will now begin Regular check-ins. If your call sign suffix begins with **A** thru **N**, that is Alpha thru November, call Net Control with your call sign phonetically & slowly, your name & location. Call Net Control now.

_____ Continuing check-ins, if your call sign suffix begins with **O** thru **Z**, October thru Zulu, please call Net Control now. (or **A** thru **Z**, Alpha thru Zulo)

**** Discuss the topic by acknowledging each station in order of check in. ****

Let's go to the top of the list and discuss the Topic, which is... (repeat the Topic)

(half way down list) Let's take a quick break. This is _____, Net Control do we have any additional check-ins for the CARC Net, please call Net Control with your call sign phonetically and slowly, your name & location. Call Net Control.

Continue the topic discussion until all participating stations have had a turn:

- Back to "Tonight's Topic" with _____ (the station next on the list)

This is _____, Net Control calling for check-in's one more time, please call Net Control now.

Lets's review the announcements:

- #1 _____
- #2 _____
- #3 _____

Thank you for your participation in this net. We had _____ fine amateur radio operators checking in and contributing tonight.

Remember that you can keep up with club news and events at our website: W4CAE.COM. that is...(Whisky 4 Charlie Alpha Echo.com)

To those maintaining this repeater, a special thank you !

This repeater will now be returned to regular use. 73 to all _____
