CARC Net Script

INTRO:

Welcome to the Columbia Amateur Radio Club (Sunday / Wednesday) night net. Your Control Station is _____ (phonetically) my name is _____. The Columbia Amateur Radio Club conducts these nets on Sunday and Wednesday nights at 8:30 PM. All licensed amateurs are welcome to participate; you do not have to be a club member. This net is currently conducted on our local repeater: 147.360, with a + offset, using a PL tone of 100.0 Hz, located near Columbia, SC.

EMERGENCY OR PRIORITY TRAFFIC:

If you have an "Emergency" during this net, or <u>at any time</u>, key your mic and state the word "Emergency" with your call sign <u>phonetically</u>; repeat as needed. This frequency will be turn over to you and we will assist as needed.

ROUTINE TRAFFIC:

This is a directed net, for information and discussion. If you have routine traffic, please wait until the end of the net to pass that traffic.

ANNOUNCEMENTS:

The Club's announcements are: (read from list on back of check-in sheet). If you have any announcements that are not on the website or have fills, call Net Control with your call sign <u>phonetically</u> and your name.

TOPIC

Before starting check-ins, I would like to present our discussion topic for the evening: _____ (use a scratch page for your topic) _____

If you are not "short-time", after all check-ins, you will be called on to share your thoughts about the Topic or anything you like.

SHORT-TIME CHECK-INS:

This is _____, Net Control. If this is your first time checking in our net, please let me know. We'll start check-ins with Short-Time stations.., please call "Net Control", let the repeater squelch drop, while listening to ensure no doubling with another station, and then give your call sign phonetically & <u>slowly</u>, your name and location. Only Short-time stations call Net Control now.

Net Control would like to recognize (& acknowledge) the following…
  (Amateur Radio Operators / Welcome these Stations / Fine Amateurs / HAM Friends)

This is _____ continuing check-ins from Short-Time stations, call Net Control now.

- - - - - - -

REGULAR CHECK-INS:

We'll now welcome Regular check-ins. If your call sign suffix begins with **A** thru **N**, that is Alpha thru November, call Net Control with your call sign phonetically and slowly, your name & location. Call Net Control now.

- - - - -

_____ Continuing check-ins for call sign suffix's begining with **O** thru **Z**, Oscar thru Zulu, please call Net Control now. (or **A** thru **Z**, Alpha thru Zulu)

- - - - - -

** Discuss the topic by acknowledging each station in order of check in. **

Let's go to the top of the list and discuss the Topic, which is… (Repeat the Topic)

(half way down list) Let's take a quick break. This is _____ Net Control. If you would like to check-in to the CARC Net, call Net Control with your call sign phonetically and slowly, your name & location. Call Net Control now.

Continue the topic discussion until all participating stations have had a turn:

 - Back to "Tonight's Topic" with _____ (the station next on the list)

- - - - - - - - - - - - -

This is _____, Net Control looking for check-in's once more, Please call Net Control now.

- - - - - - - - - - - - - -

Let's review the announcements: (on scratch paper)
