Readability

1. Unreadable
2. Barely readable, occasional words distinguishable
3. Readable with considerable difficulty
4. Readable with practically no difficulty
5. Perfectly readable

A – Absent from this net

Central South Carolina CARC Simplex Net - February 24 Simulnet "Station Readability Survey" Updated with responses Rev. 2.28.21

Your call sign row - Who you can copy? Based on your responses on the readibilty of other stations.

Highlighted - 4s and 5s

Your call sign column - Who can copy you? Based on the responses of others on the readability of your station.

Awaiting responses - Please forward your responses to me and I'll update this summary.
